

Dear Grandma & Grandpa,

Hi. This is our second day here. Yesterday we got here at about 1:30am! We only stopped once. Today we went to these one peoples house for my grandma Louises group of something. It was pretty fun. There are 4 horses in these pastures but I've only seen 3, Shadow, Bangs, & Shep. we can pet them but they're too young to ride & anyways they're not ours. Sometime while we're here they're gonna take us up to Canada where they have water slides! These 3 little girls came over named April, Amy, & Katy they're 6, 3, & 1. Well I better go now I'll see ya!
